POWER BUNDLE

Unmatched Freedom on the Water,
Powered by the Sun

Output Power
36W

**FREE FOLDABLE
SOLAR CHARGER**

SHORE FISHING

BOAT / KAYAK FISHING

ICE FISHING

FISHING ROD

FLOAT TUBE

BAIT BOAT

Experience the freedom to fish smarter and longer with the ultimate bundle, our most advanced castable sonar CHIRP+ 3 paired with a powerful 36W foldable solar charger. Together, they deliver unmatched accuracy on the water and unlimited energy off-grid, so anglers never have to cut their adventure short.

Inside the Power Bundle:

- 01 Deeper Smart Sonar CHIRP+ 3
- 02 36 W Foldable Solar Charger
- 03 Night Cover

Deeper Smart Sonar CHIRP+ 3

With real-time 3D map generation

deeper *chirp+3*

Experienced anglers know the value of truly understanding their favorite lake, which is where personal 3D mapping makes all the difference.

Cast, and quickly discover the bottom structure, depth, hills, and slopes.

Why CHIRP+ 3?

Great target separation

With an ultra-precise 1 cm (0.4") target separation, CHIRP+ 3 ensures you can distinguish even the smallest fish from structure or bait clouds. Perfect for pinpointing targets and maximizing your catch efficiency.

3 beam CHIRP technology

CHIRP+ 3 features three beam frequencies, allowing you to adapt your fishing strategy. Use a wide beam (47°) for quick area scanning, a mid beam (20°) for balanced detail, or a narrow beam (7°) for pinpoint accuracy on structure and fish.

5 year warranty

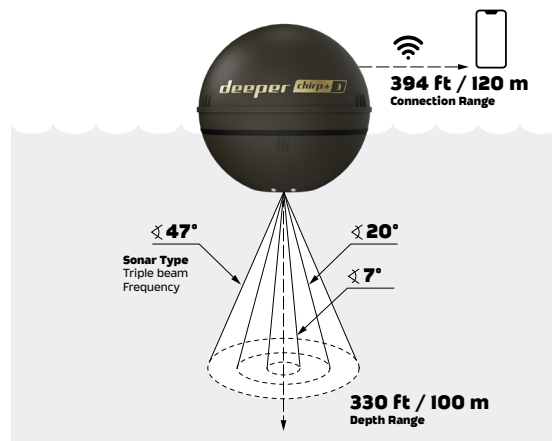

CHIRP+ 3 comes with an amazing 5-year warranty. Unlike most competitors offering just 1–2 years, we stand behind our sonar's durability—because premium tech should come with premium confidence.

- See real-time weather conditions before going to location and weather history.
- Use unlimited cloud storage to store your fishing scans and notes.
- Access 2D and 3D global fishing maps database with Premium subscription.

What is chirp?

A traditional sonar sends out a single frequency pulse at a time. A CHIRP (Compressed High Intensity Radiated Pulse) sonar sends out a continuous flow of frequencies, ranging from low to high. Because of this, the sonar readings are much clearer and have a higher resolution compared to traditional sonars.

Save your fishiest spots

36 W Foldable Solar Charger

Ensure continuous power while fishing, hiking, camping, traveling, or wherever your adventures take you. The solar charger delivers clean, renewable energy from the sun to keep your devices running, even on extended trips.

And don't forget, it's not just for your Deeper sonar. Use it to power up other devices, too! The CHIRP+3 and Solar Charger bundle also includes carabiners, so you can attach it to your backpack and charge comfortably while on the move.

2 h of solar charging* = 12 h of CHIRP+ 3 use
*in sunny conditions

36 W High Power Output – Delivers reliable and robust energy for charging multiple devices efficiently during outdoor activities.

23% High Efficiency Solar Cells – Equipped with advanced, high-conversion panels that generate power even in low-light conditions, ensuring faster and smarter charging.

Waterproof IP67 Rating – Built with a durable, weather-resistant design that withstands rain, dust, and splashes, making it ideal for rugged adventures.

2x Carabiners Included – Comes with practical mounting accessories for easy attachment to backpacks, tents, or vehicles, ensuring hands-free solar charging on the move.

USB-C to USB-A Adapter Included – Provides versatile connectivity of devices, ensuring universal compatibility and convenience.

Lightweight 865 g – Designed to be ultra-portable and travel-friendly, this solar charger is compact enough for everyday carry yet powerful enough for extended trips.

CHIRP+ 3 Tech Specs:

Name	Deeper CHIRP+ 3
ITGAM code	ITGAM1951
Model	DP6H13S10
Material	ABS
Sonar Type	3 beam
Frequency (Beam Cone)	100 kHz, 47°; 240 kHz, 20°; 675 kHz, 7°
Depth Range Max/Min	Max 330 ft/ 100 m, Min 0.5 ft/ 0.15 m
Sonar Scan Rate	15 scans per second
Operating Temperature	-20° c to 40° c / -4° F to 104° F
Internal Battery	Lithium Ion, 3.8V Rechargeable, 1300mAh (typical)
Power Supply Input (for charging battery)	5V DC; 1.5 A Max
Power Adapter (not included in the box, recommended)	Input AC 110V/240V, Output USB A, 5V 2A
Connection Range	394 ft / 120m (depends on OS and smartphone model)
Color	Brown Green
GNSS	GPS, GLONASS, Galileo, BeiDou, QZSS
Product Size	2.55 in / 6.5 cm
Product Weight	3.31 oz / 94 g
Country of Origin	Made in Lithuania
Connection Type	Wireless Wi-Fi connection 802.11 b/g, 2.412GHz 1 channel - 802.11 b max TX power + 20dBm, sensitivity -89 dBm - 802.11 g max TX power + 16dBm, sensitivity -76 dBm
What's in the package	Sonar Night Cover Charging Cable Attachment Bolts Carrying pouch User Manual

Foldable Solar Charger Tech Specs:

Model	GSC-36W
Product name	36W foldable solar charger
Cell type	SunPower solar cell
Lamination	ETFE
Efficiency	>23%
Rated power	36W
Power voltage	13.2V
Power current	2.72A
Open circuit voltage	15.84V
Short circuit current	2.99A
Output connector	Type-C
Operating temperature range	-10~65 °C
Dust and water protection	IP67 (when the USB socket is sealed)
Number of foldable sections	4
Dimension (unfolded)	842x279x3.0 mm
Dimension (folded)	279x195x26.5 mm
Weight	0.865 kg
Country of Origin	Made in China
What's in the package	1 x Solar Charger 1 x User Manual 2 x Carabiners

Product Logistic Specs:

Product EAN	4779032951036 Echolotas DEEPER "Power Deal"
ITGAM code	ITGAM2595
Packaging Size	333 x 236 x 120 mm / 13,1 x 9,3 x 4,7 in
Packaging Weight	16.290 kg (9 x 1.81 kg)
Multipack size	715 x 340 x 370 mm / 28.15 x 13.39 x 14.57 in
QTY per Multipack	9
Harmonized Customs Code	Deeper CHIRP+ 3: 9014800000 / Foldable Solar Charger: 85414300
Country of Origin	Deeper CHIRP+ 3: Made and designed in the EU / Foldable Solar Charger: Made in China
